PROFESSIONAL SUMMARY

Computer Science and Engineering student with a strong interest in software development, problem solving, emerging technologies, and quantum computing. Strong foundation in programming, object-oriented programming, web technologies, databases, and core computer science concepts, with a focus on building practical and secure software solutions.

EDUCATION

B.E. Computer Science and Engineering | Rajalakshmi Institute of Technology, Anna University | 2024–2028 | CGPA: 7.92/10

HSC | AKT Academy Matric Higher Secondary School – Kallakurichi | 2023–2024 | 91%

SSLC | AKT Academy Matric Higher Secondary School – Kallakurichi | 2022–2023 | 91%

TECHNICAL SKILLS

Programming: C, Python, Java, OOP

Web Technologies: HTML, CSS, JavaScript

Databases: SQL, MongoDB

Quantum Computing: Qiskit

Tools: Git, GitHub, Antigravity

Core Concepts: OOP, DBMS, Operating Systems, Computer Networks

PROJECTS

QuiskitX – Quantum-Safe File Transfer

- Developed a secure file-transfer project using quantum computing concepts and Qiskit, focusing on protecting files during transmission.
- Explores quantum-based secure communication techniques within a practical file-transfer workflow.

StuBlood – Blood & Food Donation App

- Developed an application concept to support blood and food donation by connecting users with relevant donation information.
- Focused on a simple, user-oriented approach to donation discovery and support.

Smart Tourism Guide System

- Developed a smart tourism solution for discovering tourism-related information and assisting users with destination exploration.
- Focused on presenting useful destination information through an accessible system.

ACHIEVEMENTS

- Selected in the internal selection round of Smart India Hackathon (SIH) in 2025 and 2026.
- Selected in the internal selection round and Participated in a Quantum Hackathon.

CERTIFICATIONS

- Certificate of Completion – Java Training
- Certificate of Completion – AI Training, Infosys
- Certificate of Completion – Python 3.4.3 Training
- Certificate of Completion – MongoDB Basics for Students

LANGUAGES

English, Tamil
